# WORK EXPERIENCE

**Project Title :** NGO Website Development & Digital Agency Website Development

**Project URL :** https://gayathri-sp.github.io/NGO-website/

https://gayathri-sp.github.io/digital-agency/

**Duration :**

**CAPETCH TECHNOLOGIES**

**Role :** Frontend developer

**Duration :** 3 Months

**Technologies Used :** HTML, CSS & JQUERY

## Description

During my 3-month internship at Capetch Technologies, I actively applied and honed my skills in frontend web development. I collaborated closely with UX/UI designers to transform design concepts into pixel-perfect, cross-browser compatible web pages. Additionally, I played a key role in implementing user-friendly interfaces for various web applications.

### ACHIEVEMENTS

Successfully launched a fully functional website that received positive feedback from both users and clients.
